## Information Disclosure Statement

The information disclosure statement filed 04 September 2001 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each U.S. and foreign patent; each publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. Consequently, there were no copies of the five foreign references filed with the information disclosure statement. therefore, the information disclosure statement has been placed in the application file, but the information referred to therein pertaining to the five foreign patent documents have not been considered.
